Key Speaker:

Michael Frost

Mike is an internationally recognised Australian missiologist and one of the leading voices in the missional church movement. His books are required reading in colleges and seminaries around the world and he is much sought after as an international conference speaker. He is the author or editor of ten theological books, the most recent of which are the popular and award-winning, *The Shaping of Things to Come* (2003), *Exiles* (2006) and *ReJesus* (2009).

Workshop Speakers:

Kathy Blazewicz

Kathy has been running playgroups for 14 years, initially through her involvement as a parent. She currently facilitates 5 playgroups in her local community ranging from specialised music groups to a playgroup for women with postnatal depression, a baby playgroup and a 'cultural experience' playgroup. She is the Children and Families Ministry Coordinator for a large and culturally diverse Uniting Church in Adelaide's western suburbs and also for a Communities For Children site called Seaton Central.

Judyth Roberts

Judyth is the Children & Families Ministry Consultant for the Uniting Church Synod of NSW and the ACT. Through work in the community and for the Playgroup Association she has been involved in starting and supporting playgroups for over 25 years. Her focus is on consultation with churches and leaders to enable strategy, research and leadership development as well as resource development and communication. Her challenge is to advocate for families and to encourage churches to take the faith their children have seriously and to welcome the families already connected to the church, especially through playgroups and SRE.
